

2018 Michigan Society for Respiratory Care Sponsorship Program

The Michigan Society for Respiratory Care and our corporate partners have so much to gain by working together. The Michigan Society for Respiratory Care has been promoting the art and science of respiratory medicine and its continuing education for years. As a healthcare organization, MSRC strives to inform the public about the importance of the respiratory profession through our continued legislative initiatives and public health education. Our Corporate Partners' products, services, and affiliation with the MSRC, are important towards providing the highest quality respiratory care.
