

# 2023 Michigan Society for Respiratory Care Sponsorship Program

The Michigan Society for Respiratory Care (MSRC) and our corporate partners have so much to gain by working together. The MSRC has been promoting the art and science of respiratory care and its continuing education for years. As a healthcare organization, MSRC strives to inform the public about the importance of the respiratory care profession through our continued legislative initiatives and public health education.

The products, services and affiliations of our corporate partners are essential to provide quality respiratory care for our patients.

Remember to mark your calendar for our upcoming Spring and Fall Conferences.
